I would like to contribute to flight-aid's humanitarian air relief programmes in Africa by entering a supporting membership. I agree to pay an annual membership fee of **€25.--** (twenty-five Euros). This amount as well as membership fees in general cannot be claimed in annual tax returns, submitted to the German Revenue Office! I understand that my membership becomes effective as soon as my dues are paid. The duration of my membership is 12 months and will automatically be extended by an additional 12 months provided I do not cancel my membership. I may terminate my membership by giving a 6-month's notice before the end of the financial year. My supporting membership includes the **flight path** newsletter, which I shall receive 4 times a year, preferably via e-mail.

I will transfer my annual fee into flight-aid's bank account - acc. no.: **560668**, code: **500 107 00** (Degussa Bank)*

I will pay my annual dues by banker's order

For payment of my membership fee (€25.--) I authorize flight-aid to debit my account once a year (debit advice procedure).

My bank details (required to process payment):
